The American Academy Larnaca is one of the nine oldest schools in Cyprus.

As a non-profit institution, this school is committed to delivering a holistic educational experience that begins in the classroom and extends far beyond it. At the heart of the school's philosophy is its motto "to grow and to serve" which embodies the true ethos and culture of our learning environment.

As the school notes, students grow intellectually, emotionally, socially and morally, and are encouraged to serve their community actively and generously. The school ethos is reinforced in their unique management structure; a private, non-elitist, co-educational independent school that is uniquely run by its own graduates.

DETAILS OF LOCATION

Larnaka town is also significant for both Christians and Moslems. The most revered monuments of the two are included in the main attractions of the city: the Church of Agios Lazaros (Saint Lazarus), the patron saint of the town who Jesus resurrected and held dear as a friend; and the mosque of Hala Sultan – an important place of pilgrimage for Moslems that is embraced by the Salt Lake.

In the same area, the famous Salt Lake fills with flocks of vibrant pink flamingos in the winter months and attracts visitors for its natural beauty and ecological value, offering a nature trail in the heart of the city.
